Both hotels are approximately 3 kilometers far from the conference venue (Burapha University). From the hotel counter service, please contact them that you need transportation to Burapha University. The fare will be added to your room bill (around 200-300 Baht). However, it would be much cheaper to take ‘a red cap’ car passing in front of both hotels. The fare should be around 20-30 Baht paid directly to drivers.
